## Blessings!

So many people in our community are battling addictions, poverty, abuse, homelessness and so much more. Our youth, especially, are hurting-- dealing with issues like depression, pressures of social media, contemplating suicide, addictions, and loss of identity, just to name a few. Many teens feel hopeless like there is no real purpose for their lives.

And I think it's safe to say, that as members of the community, ***we truly want to help***, but we often ***don't know what we can do***.

This is where our ministry, **Heart Epochs**, comes in. For the past 6 years, our ministry has hosted an event where local churches can come together with community leaders, local business leaders, and local officials to solve some of the most pressing and crucial problems that our communities face.

Our event is called **Power Run 300+** because we are bringing 300 churches, ministries and organizations together to host a **free, open-to-the-public event** for youths and their families. (See flyer)

As a valued member of the community, we are asking for your participation in our **Power Run 300 Youth and Family Conference on Saturday June 3, 2023**.

**Here are some ways you can help by becoming a Sponsor:**

1. Have a table to showcase your business (**free of charge**)
2. Give a generous cash donation to **HeartEpochs.com/giving**
3. Or both !

**In exchange for your Sponsorship, you will receive:**

1. Recognition at the event.
2. A **free** table to showcase your business
3. A page highlighting your organization in the **Power Run 300 Program**
4. Mentions and ads on our digital platforms throughout the year, **and**
5. Lasting connections made in your community
